# Conditions of Testing – test cube specimens

- 1 This form is supplied for the convenience of the customer and remains the property of ACS Testing Limited.  
It shall be used for the submission of test cube specimens to ACS Testing Limited. Test cube specimens are accepted and stored before test at the Clients risk.
- 2 Test cube specimens due for testing on Weekends or Public Holidays shall be tested on the nearest working day following the initial requested test date.  
**An extra charge shall be levied for testing which must be conducted on Weekends or Public Holidays.**
- 3 Test cube specimens are disposed of immediately after testing unless their return or retention is requested in writing prior to testing
- 4 Failed test cubes will only be retained for 14 days after test unless otherwise directed.
- 5 Unless written instructons to the contrary are received prior to testing, Spare test cubes collected will be retained and tested at 56 days when associated test results are suspect. Spare test cubes will otherwise be disposed of without being tested. Spare test cubes shall be charged at the basic test fee, as per all other cubes, whether tested or not.
- 6 ACS Testing handle all specimens with care and undertake curing of test cube specimens from time of receipt at the laboratory to the relevant British Standards  
It is deemed to be the Clients responsibility to submit all specimens in a condition suitably packaged for transportation.
- 7 The Terms and Conditions of ACS Testing shall apply at all times (copy available upon written request)
